Little Word Books

Little Word Books are fully decodable books for new readers.

These Little Word Books have a very **carefully controlled vocabulary** and are specifically designed for children who are learning to read and write with *Jolly Phonics*. The text in the first two books uses only **decodable regular words** made up from the first group of letter sounds; the text in the next two books uses only the first and second groups of letter sounds and so on, so that the number of sounds used in the **text builds up cumulatively**.

Faint type is used for any silent letters, such as the <e> in *gone*.

This book contains the following letter sounds:

Group 1: s a t i p n

Group 2: c k e h r m d

Group 3: g o u l f b

Group 4: ai j oa ie ee or

Group 5: z w ng v oo oo

Group 6: y x ch sh th th

Group 7: qu ou oi ue er ar

All of the letter sounds used in this book are also shown on the front inside cover; these can be used as a quick practice activity before starting the book.

The other Little Word Book at this level is: **Train Tracks**.
