**Spelling, Grammar & Punctuation** is a six-level programme that gives young children the skills they need to be confident readers and enthusiastic writers. It builds on the teaching in Jolly Phonics and has the same multisensory, active and fun approach. The systematic and cumulative syllabus enables children to spell and punctuate more accurately, use a wider vocabulary and have a clearer understanding of how language works.

### Each level of the series

- Has a write-in Pupil Book with a full set of lesson activities for the academic year.
- Has a Teacher's Book providing step-by-step lesson plans and comprehensive support.
- Introduces complex grammatical concepts in an engaging and child-friendly way.
- Systematically reinforces the learning so that no one is left behind.
- Teaches new spelling patterns, supports a greater understanding of sentence structure, expands vocabulary and comprehension, and cultivates dictionary and thesaurus skills.

The material in the Pupil and Teacher's Books, Levels 1 to 3, is recommended by Cambridge Assessment International Education to support the Cambridge Primary English curriculum framework.
